## **Altamira-US, LLC Appoints Vance A. Fairchild as CEO to Drive Growth and Expansion**

*Altamira-US, LLC Announces Vance A. Fairchild as CEO*

**HOUSTON, TX (July 16, 2023)** —[Altamira-US, LLC \("Altamira"\)](#) is pleased to announce the appointment of Vance A. Fairchild as the company's Chief Executive Officer, effective immediately. Mr. Fairchild, who serves as Executive Chairman of the Board, will assume the additional role of CEO to further drive the growth and expansion of Altamira.

As a founding investor and member of the Altamira Board of Directors since inception, Mr. Fairchild will bring a wealth of experience and a proven track record of success to his new role. He has been working closely with Altamira's senior management team to accelerate growth, implement robust business processes, and refine the company's focus in the wake of recent divestments and strategic additions to the team.

"I am excited to have Vance expand his role and step in as our CEO," Altamira's President and COO, Trey Whitley said. "His experience and leadership, along with our prior successes working together, will be invaluable as we navigate the exciting opportunities and challenges ahead. Together, we are committed to delivering the highest-quality services and exceeding our clients' expectations."

Prior to his involvement with Altamira, Mr. Fairchild founded and led several successful engineering, environmental, and risk management companies. His entrepreneurial expertise and leadership skills were instrumental in growing these ventures from small start-ups to thriving enterprises, which were eventually acquired by both strategic and financial buyers. Notably, ECON Capital and Consulting Services, a company founded by Mr. Fairchild, was successfully sold to TRC Companies. More

recently, he founded G2 Partners, which evolved into G2 Integrated Solutions and was eventually sold to a private equity sponsor.

“I appreciate the chance to work even more closely with an existing and proven management team,” Mr. Fairchild said. “Trey Whitley, Altamira's President and COO, is a trusted colleague and high-performing professional whom I have complete confidence in. We previously collaborated at TRC Companies and later at G2, where we achieved remarkable growth and a successful exit. Together at Altamira, Trey, and the exceptional management team we have assembled, will continue the strong, profitable growth trajectory of the company.”

Altamira remains dedicated to its mission of solving clients' most complex regulatory, operational, and business challenges. With a focus on strategy, consulting, technical expertise, and digital technology solutions, Altamira is poised to continue being the trusted partner for clients in need of regulatory compliance, including PHMSA, DOT, process safety management, and environmental affairs.

As Altamira moves forward under the leadership of Mr. Fairchild, the company reaffirms its commitment to providing exceptional services, building strong relationships with clients and regulatory communities, and delivering successful outcomes that exceed expectations.

## **About Altamira, LLC**

Altamira, LLC provides the highest-quality consulting, engineering, and field services support to our valued clients. We are committed to using our expertise in regulatory compliance, including PHMSA, DOT, process safety management and environmental affairs. We evolve with our customers, staying agile and adaptable in a dynamic operating environment, as a value-added, long-term partner. While Altamira's company size allows us to be responsive to clients and flexible in the solutions we provide, our strong working relationships with the regulatory community and vast experience developing successful outcomes enables us to complete projects that exceed our clients' expectations. Our mission at Altamira is to solve our clients' most complex regulatory, operational, and business challenges by being the first choice and trusted partner for strategy, consulting, technical expertise, and digital technology solutions.
